U.S. EXPORT SALES

Because of the New Year's holiday, January 1, the next report will be released on January 2, 1981.

- Outstanding Export Sales (Unshipped Balances) on **DECEMBER 18, 1980**
 - Export Shipments in Current Marketing Year
 - Daily Sales Reported **DECEMBER 12-18, 1980**
- As Reported by Exporters

Outstanding export sales as reported by private exporters and compiled with other data in this release give a snapshot view of the current contracting scene. At any given time in the course of a marketing year outstanding sales do not bear a consistent relationship to eventual export shipments. A meaningful export projection is not obtainable by the simple device of adding outstanding sales to exports to date. The latter data, alone, may provide a more reliable measure of current export activity than may be derived from a year-to-year comparison of outstanding sales.
